Dear Judge Seybert:

This is to memorialize that the government has prepared copies of additional 3500 material, as well as new exhibits, to be offered at trial in the above-captioned matter. By separate email this morning, counsel for the defense have been invited to pick up their copy of the material at the U.S. Attorney's Office in Central Islip, New York. A duplicate set will be delivered to the Court's chambers momentarily.

Respectfully submitted,
